.

UNLESS otherwise stated, all the Coins, Medals and Tokens described on the following pages are guaranteed authentic and original issues.

In the statements of condition the Cataloguer has rigidly adhered to the high standard adopted by him, and has exercised most scrupulous care in the entire work.

Orders by mail should be sent to parties entrusted with their execution so as to reach destination at least 24 hours before the sale.

Unless special arrangements are made all bills are payable on delivery of purchases; deposits will be required from unknown buyers.

Except when the word "Set" or "Lot" is used, all the Coins, Medals, Tokens and Notes are sold at so much per piece, and bids must be made accordingly.

This entire collection will be exhibited in the Auction Room on the 9th of October, and also up to 1 P. M. on each day of sale. On account of the magnitude of the Collection, no Coins or Medals can be shown while the sale is progressing.

It is a curious error on the part of collectors to believe that the Side View Penny and Halfpenny tokens have been restruck. Only originals exist, the greater part of which come from English collections, where

they have quietly rested until the demand brought them on this side of the Atlantic. At present they are almost unobtainable in England and bring more there than here.
